— CRAFTED BY R.D. HENRY & CO. —

# DISPLAY SALES CENTER

Display the unsurpassed finishes we are known for and launch the sales process even faster with this compact Sales Center.

## FEATURES

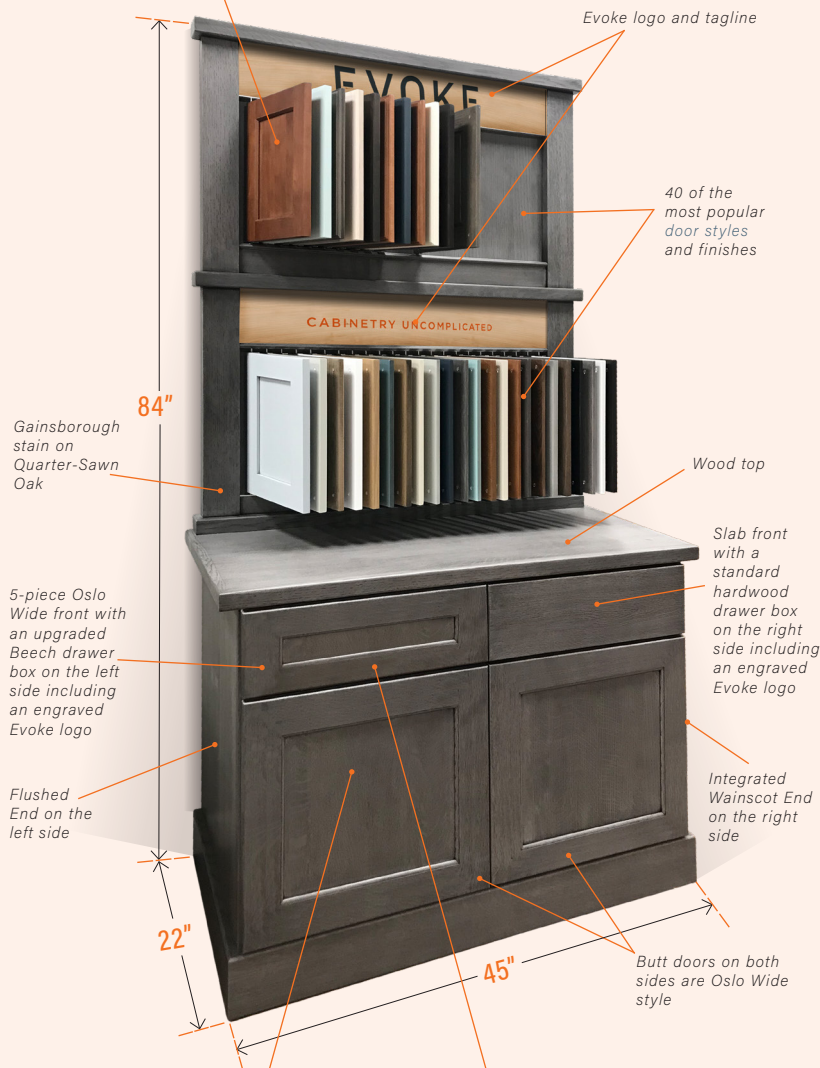

- Cabinet is constructed of plywood for maximum strength.
- Back of upper section is supported by two 3" x 62" x 3/4" solid wood runners for added support.
- Requires a small footprint in your showroom, at less than 7 square feet. A great alternative to full kitchen displays.
- It will showcase multiple construction options on both sides of the cabinet to display standard vs. upgrade options.
- Includes 40 preselected doors, leaving 6 empty spots for doors of your choosing.
- Two drawers and four rollout shelves are mounted on Blum full extension soft-close guides.
- No dimensional modifications allowed.
